

# BUS RADIO

# ABOUT US

## TESTIMONIALS

"All of the participating bus drivers have expressed the opinion that the program increased safety...The students also overwhelmingly enjoyed the programming.

...We would like to continue with Bus Radio...and would recommend the program to other school systems as well."

**- Carl R. Batchelder, Ed.D., Superintendent of Schools**  
Woburn, MA,

"Since we installed Bus Radio on our buses we have had less student behavior issues! Bus Radio definitely created a positive climate on the bus with its more appropriate programming and provided many good information segments for our students."

**- Brent Clements, Transportation Director**  
MID-DEL School District

"The programming seems very, very good. It has been well received. My elementary kids, I actually have 3 girls that bump, dance and do the YMCA thing with their arms on the ride home. The high school kids, I was telling Mark, my boss, that you wouldn't believe the number of thank-yous I get, especially in the morning when they get off the bus after listening to your programming."

**- Lon, Bus Driver**  
Amphitheater School District, Tucson, AZ

"We have had less parent complaints since Bus Radio was installed. There is more music for students to listen to than ads and the best part is the SAFETY MESSAGES, I think they're great!"

**- Raul Lopez, Transportation Director**  
Coachella Valley Unified School District
