PROGRAMMING

Featured Show Segments: (Sponsorship Opportunities Available)

Top 5 Countdown – Mat and Lucia weekly shakedown. Mat and Lucia count down the top 5 most requested songs....we play little snippets of the songs and talk briefly about each one.

The Hannah Montana Moment - We have a GPS on Hannah Montana and all that she is up to and all that she loves!!! This is our moment to share!

Ellen in LA - It's Ellen in LA....Ellen comes to us "Live from Hollywood," with a review of the latest movies to hit the screen. She gives two different reviews of two different movies, one for the younger listeners and one for middle/high school aged listeners.

She is also more than just a movie critic...she has the inside scoop regarding what goes on at some of the hottest movie premieres in Hollywood!

The Health and Fitness Zone - Childhood obesity is a big issue facing America, and Bus Radio is helping its listener's stay healthy with the Health and Fitness Zone. The Health and Fitness Zone will feature different health experts for tips on both how to get and stay in shape.

The Health and Fitness Zone will include experts such as Harvey Walden from Celebrity Fit Club, a nutritionist and a member from the President's Council on Health and Fitness. With an all-star team like that we can help our kids stay healthy!
