DJ BIO'S

Hey gang! What's up? My name is **Lucia** and I'm excited to get to know all of you as you ride back and forth from school each day! Although I'm originally from Massachusetts, I've lived all over the world from New York City to Boston to London and most recently Los Angeles! I started out in radio producing for the morning show and being on-air at WERZ out of Portsmouth, NH. After getting my Master's from Emerson College in Boston, I headed out West and have been busy working at Star 98.7 FM, on the Ellen Degeneres Show, for Sony music and most recently have been doing PR for a ton of your favorite celebrities!! When I'm not at work you can bet I am either with my family, exercising, volunteering, laughing or doing my all time favorite thing...

Playing music!! I live for music!! No matter what kind...I love to listen and especially play it!! So sit back...and get ready, because each morning is going to be packed with excitement and lots of laughs!! See you on the Bus!!

Let's get the basic stuff out of the way first. My name is Mathew, my friends call me **Mat**. I rode the bus everyday to school growing up so trust me, I feel for ya! People always ask me who I've met, who was cool and who wasn't and although it's a tough question to answer I'll try. There was Jay-Z, Britney, Oprah, Timberlake, Coldplay, Kelly Clarkson, Roger Staubach (ask your Dad), Rob Thomas, Gwen Stefani and many more. The best were Jay-Z, Oprah, Kelly, Rob and Gwen. The not so fun ones...well my Mom always said if I didn't have anything nice to say, not to say it at all, so I won't.

I'm obsessed with the web, so feel free to e-mail me with questions about the show, song requests, personal dilemmas, and anyone you want me to say hey to on Bus Radio.

My Personal Goals are to volunteer more, figure out Lucia, and I need to get back into playing my string bass... Haven't touched that thing since High School Orchestra class.

GET ON BOARD...
